The technical drawing illustrates a cross-sectional view of a mechanical assembly. At the top, a vertical column with a total height of 30 is shown, featuring two cross-hatched rectangular blocks at its top. Below this, a horizontal base has a central circular hole with a diameter of 15. A U-shaped housing surrounds the base, with a total width of 100 and a bottom width of 40. The bottom section of the drawing shows a horizontal row of seven vertical slots, each labeled with the number 3. Between the first and second slots from the left is the value 8, and between the fifth and sixth slots is the value 8. To the right of the sixth slot is the value 24. To the right of the entire row is the value 7.
